

Nutrition and Health Curriculum Survey

School: _____

Dear Educator: The Team Nutrition committee at your school is collecting information on what kinds of nutrition and health related activities or curriculums are currently being implemented in the classroom. They would also like to know what kinds of activities you might be interested in and if you would like to be provided with additional information.

Please take a moment to answer the following questions:

Name: _____

Grade(s): _____

Subject(s) you currently teach: _____

1. Do you currently provide any nutrition, health, or physical activity related lessons, activities or curriculum in your classroom?

☐ YES ☐ NO

► If yes, please describe (specify type of activity or curriculum):

► If no, would you be interested in implementing some type of nutrition, health, or physical activity related lessons, activities or curriculum in your classroom?

☐ YES ☐ NO ☐ MAYBE

2. Would you like someone to provide you with some user friendly curriculum or activities that you could use in the classroom?

☐ YES ☐ NO

► If yes, is there a particular subject matter that you would be interested in?

3. What are some barriers you perceive in providing any type of nutrition, health, or physical activity related lessons, activities or curriculum in your classroom?
